Class 12 - Outdoor Championship - Power & Speed

Rule 275A. Table C. Start Height 1.25m. DRAWN ORDER

In the event of insufficient entries lower prizes will be withheld. Rule - 76.6

For registered horses to be ridden by Adult, Associate or Junior Members.

The starting order must be drawn.

The course is divided into two sections. The first or power section consists of five to seven obstacles of progressively increasing severity designed to test power and precision at each obstacle individually. This section is jumped as an Accumulator competition in accordance with Rule 274 not against the clock with a time limit of two minutes.

On completion of the power section the bell will be rung if the competitor has NOT scored the maximum possible number of points over this section. The competitor must then retire. If the bell is not rung, the competitor proceeds straight to the second, or speed, section of the course. This consists of six to eight obstacles to be jumped under Table A4 or Table C.

The start and finish must be indicated separately for each section. Finish of power section to be start of speed section. Automatic timing is only obligatory for the speed section.

The competition is decided by faults and time over the speed section. In the event of insufficient competitors reaching the speed section, minor placings are decided by the highest number of points scored over the power section. If no competitor reaches the speed section and in the event of equality of points over the power section, there will be a jump-off over the speed section to decide the winner.

Class 24 - Outdoor Championship - Accumulator

Rule 274. Table A. Speed 375mpm. Start Height 1.15m. DRAWN ORDER

In the event of insufficient entries lower prizes will be withheld. Rule - 76.6

The order of starting must be drawn.

This competition takes place over six, eight or 10 obstacles which are progressively more difficult. No combination obstacles are allowed. The progressive difficulty is not solely due to the height and spread of the obstacles, but also to the difficulty of the track.

Points are awarded as follows:

One point for obstacle No. 1 cleared, two points for No. 2, three points for No. 3 etc. with total of 21, 36 or 55 points.

No point is awarded for an obstacle knocked down. Faults other than knock-downs are penalised as for Table A and any of these faults, including time faults, are converted into points and deducted from any jumping points scored.

In the event of equality of points for first place, there will be a jump-off against the clock over a shortened course, over obstacles that may be increased in height and/or spread. The obstacles in the jump-off must be jumped in the same order as in the first round and retain their respective points allotted in the first round.

This competition may also take place directly against the clock.

For the last obstacle of the course, an alternative obstacle may be provided, of which one part may be designated the Joker. The Joker must be more difficult than the alternative obstacle and carry double points. If the Joker is knocked down, the points must be deducted from the total.

Prizes: 1st: £100.00, 2nd: £75.00, 3rd: £50.00, 4th: £30.00, 5th: £30.00, 6th: £30.00, Total: £315.00. Entry Fee = £30.00
